

# ***Kaspar Hauser Festival! Save the date!***

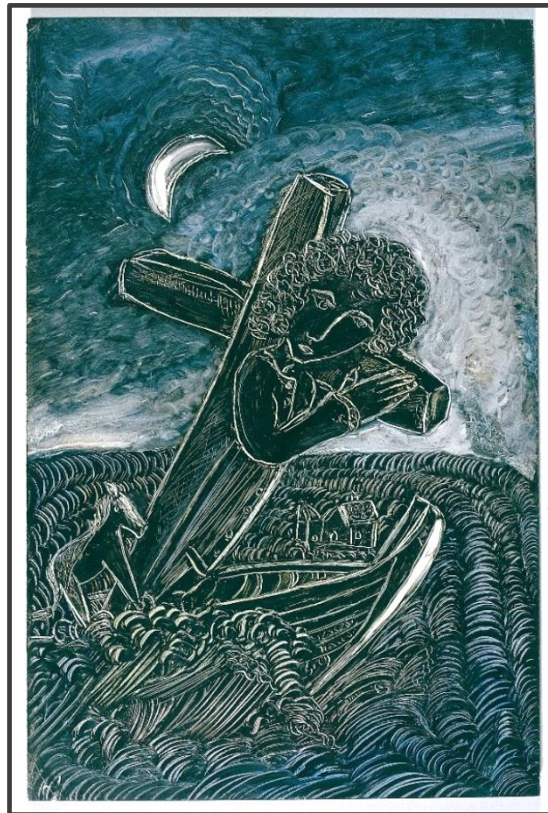

## **KASPAR HAUSER HIS MESSAGE OF HOPE FOR OUR TIME!**

**In-person and Online Conference**

**November 7 – 10, 2024 ~ Camphill Village, Copake, NY**

The Kaspar Hauser Research Circle of the Karl König Institute and the Camphill communities of Columbia County NY are hosting the 4th Festival for Kaspar Hauser on the East Coast of North America!

The Festival program features lectures by Eckart Böhmer, Richard Steel and Carrie Schuchardt.

*'Kaspar Hauser: the Path of Sacrifice' - by Greg Tricker*

*'Kaspar Hauser: Rider of the Future'*, Richard Steel's new play, will be premiered. There will be an original puppet play about Kaspar's life. The arts will also live through music, eurythmy, poetry and the dedication of the Kaspar Hauser memorial sculpture in Philmont, and through the art of conversation.

In this painting, Kaspar Hauser is in a small boat that seems impossibly balanced under the weight of the cross he is carrying. Yet the boat *is* balanced on the sea! Could Kaspar's love for his horse be the Hope that steadies his boat upon its course? Could our love be the Hope that steadies the course of life upon seas of helplessness?
